

Student Safety

Mandatory for students in Kindergarten, 1st, 2nd and 3rd Grade Only.

The transportation provider is not legally responsible to insure that anyone is at the bus stop at the time a student is discharged from the school bus. However, it is a best practice to transfer custody of students in grades K-3 directly to a responsible adult at the bus stop. In practice this means that if an authorized adult is not at the stop at the scheduled drop-off time, the student will not be permitted to exit the bus and will be returned to the school until an authorized adult can be located. Please indicate below if you are requesting that your student be met by an authorized adult OR is allowed to proceed home from the bus stop on their own.

I **DO NOT** give you permission to leave this student alone at their bus stop. If I am not at the bus stop location, the following individuals may receive my passenger.
